

Audit Manager and Senior Auditor

We are currently seeking experienced candidates to join our talented team in our Audit Department at the Manager and Senior levels. These positions will be located in our Elgin Office.

We are looking for individuals to use their talents to manage and drive the success of multiple engagements and oversee quality audit and attest services for the Firm's clients. Positions require recognition of potential audit issues or unusual relationships from basic analysis of the financial statements and to communicate them to the team. Will also perform most engagements and provide direction, instruction, and feedback to staff.

- Supervise the work of the audit staff and provide on-the-job training
- Lead specialized and complex audits
- Review drafts of financial statements and management letters
- Report progress of audits and engagements
- Perform audit or review procedures
- Conduct research, prepare memorandums and summarize findings
- Demonstrate ability to assume responsibility for supervision of the daily fieldwork of engagements and client contact

Qualified candidates must possess:

- 5 to 10 years of progressive audit experience in a medium to large-sized public accounting firm
- A Bachelor's degree in Accounting or Finance
- CPA certification

Have proven supervision and/or management experience and the ability to develop business.

Experience in manufacturing, construction, real estate and not-for-profit, a plus.

SEC Reporting, a plus.
