

BETH ULBRICH

CPA

*Audit Manager*

In Beth's 20 years of experience in public accounting, she has worked in a variety of capacities for nonprofit organizations as well as closely held businesses. She has led the audit of a national health and welfare organization for over 15 years and is invited to speak annually at its national convention. Her extensive knowledge of both Peachtree® and QuickBooks® accounting systems is useful for both audit and accounting clients.

She enjoys sharing her knowledge and experience with the staff, management, and board of directors of her clients via informal training, "check-ups", and presentations, striving to get people to a point where they are comfortable with their responsibilities.
